The amendment filed December 19, 2007 has been entered with the following effect.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-17 and 26 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, the second section of the packaging has no antecedent basis.

In claim 8, the fold has no antecedent basis and it is unclear what the fold refers to.

In claim 9, the side edges of the packaging has no antecedent basis in claim 1.

In claim 11, the inside of the wall of the cardboard packaging has no antecedent basis.

In claim 26, the portion corresponding to the second layer has no antecedent basis in the claim as the portion is undefined. Also, the second section of the packaging has no antecedent basis.

Allowable Subject Matter

3. Claims 1-17 and 26 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
